

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Application of Southern California Edison  
Company (U 338-E) for Approval of New Rates  
To Be Implemented At The End Of The Rate  
Freeze Period And Other Requested Relief.

Application 00-01-009  
(Filed January 7, 2000)

**ADMINISTRATIVE LAW JUDGE'S RULING  
REOPENING PROCEEDING AND DEEMING AS FILED  
THE UTILITY REFORM NETWORK'S REQUEST FOR COMPENSATION**

This ruling reopens Application (A.) 00-01-009 in order to provide eligible parties such as The Utility Reform Network (TURN), an opportunity to file requests for awards of compensation. The ruling also deems as filed TURN's request for compensation for contribution to Decision (D.) 02-01-031.

D.02-01-031 adopted January 9, 2002, provided an opportunity for eligible parties to request intervenor compensation (Conclusion of Law 2 and Ordering Paragraph 2). However, D.02-01-031 also closed A.00-01-009. In order to provide eligible parties such as TURN the opportunity to file a request for intervenor compensation, this application is reopened.

TURN filed a request that for unknown reasons was not delivered from the Commission's mailroom to the Commission's Docket Office. TURN has provided a copy of its filed request dated March 11, 2002 bearing the Commission's stamp of receipt. TURN also filed its request in A.00-01-009 with all parties on March 11, 2002. Although the Docket Office did not record TURN's request as filed, clearly it has been filed with the Commission and should be recorded as received on March 11, 2002.

Therefore, **IT IS RULED** that:

1. Application 00-01-009 is reopened in order to provide eligible parties an opportunity to request intervenor compensation.
2. The Utility Reform Network's request for intervenor compensation for contribution to Decision 02-01-031 is deemed filed March 11, 2002.

Dated August 2, 2002, at San Francisco, California.
